**Subject: *Annak Ti Candon International Donation of Textbooks
and Library Books***

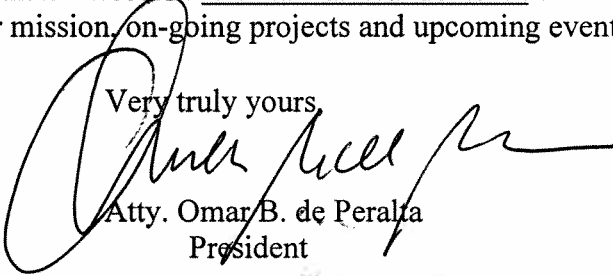

Dear Sister Nate:

On behalf of Annak Ti Candon International, Inc. (Annak), I am happy and very pleased to inform you that on March 30, 2009, Annak shipped through Atlas Shipper International 3 jumbo *balikbayan* boxes containing high school textbooks and library reference books, including science, pre-algebra, algebra, physics, chemistry, biology, world history, pre-calculus, language and literature. The expected delivery at your school is the first week of May, 2009. Please arrange for someone to accept delivery.

These textbooks and library reference materials are donated by members of Annak Ti Candon International, Inc. (Annak) to the students and teachers of your school pursuant to its Computerization Program. It is Annak's hope that in making this gift, it will meet its intended goal of promoting academic and educational development of the students by providing them the necessary tools to excel in academics. And that these materials will make your school have a competitive edge over other schools in the region, if not at par with schools in developed countries.

Please visit Annak's website: www.annakticandon.com for more information about our mission, on-going projects and upcoming events.

Very truly yours

Atty. Omar B. de Peralta
President
